

EW-K 200

Short description

Brine-air heat exchanger for brine earth heat exchanger, DN 200.

Application examples

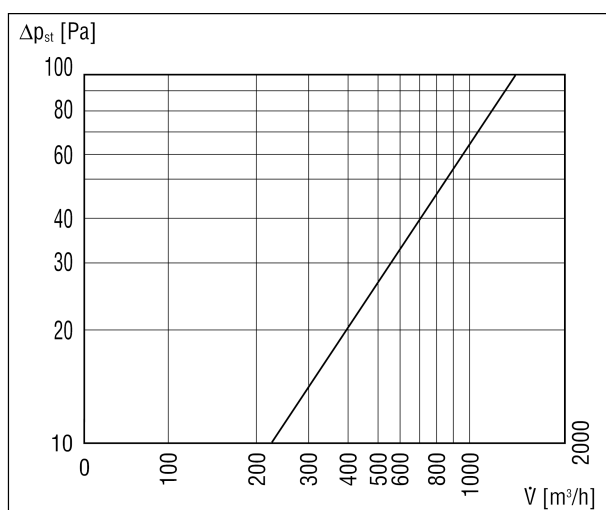

Single-family houses in combination with ventilation units with heat recovery, Low-energy and passive houses

Article number 0192.0413

Technical data

Max. volumetric flow	250 m³/h
Brine connection nominal size	22 mm
Nominal size	200 mm
Packing unit	1 piece
Range	K
GTIN (EAN)	4012799924135

Characteristic curve

EW-K 200

Dimensioned drawing [mm]
